

HOW TO USE QUICK START

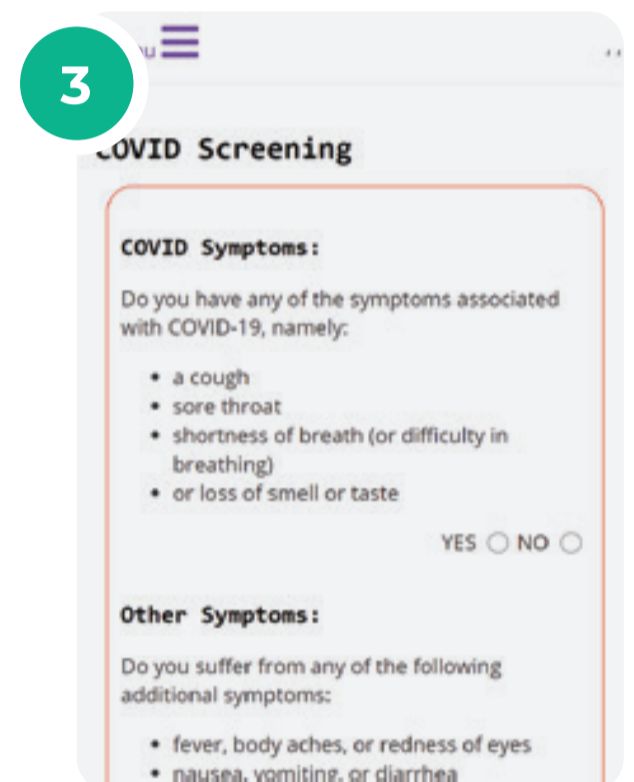

Tsebo Check In and QR Space are making the workspace more engaging.

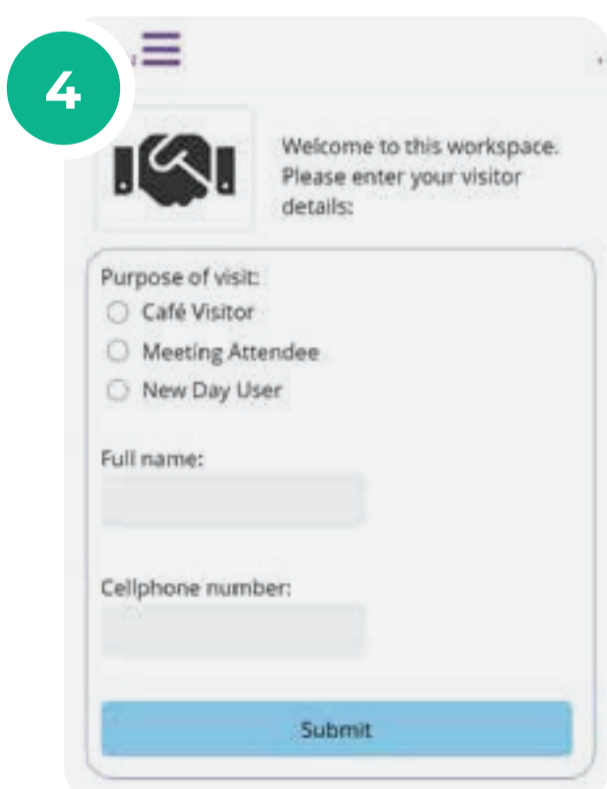

1 Scan the QR code or navigate to the URL below it.

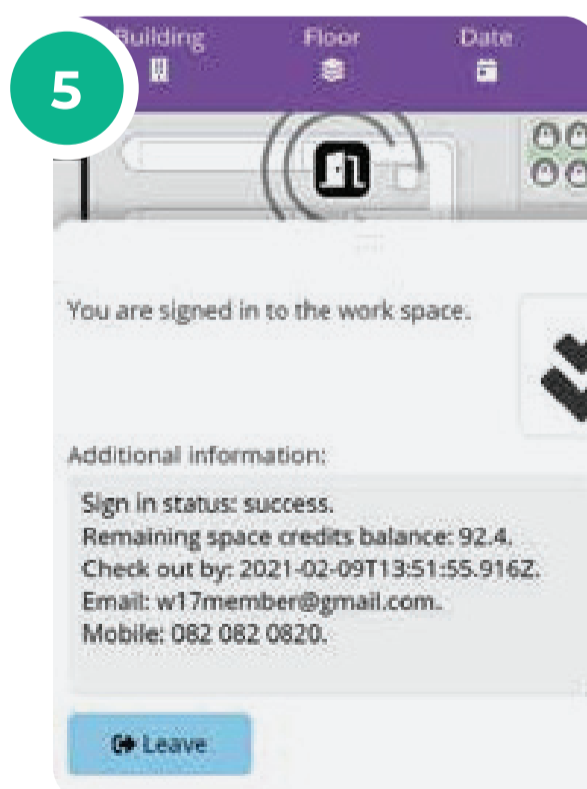

2 Enter your email address and tick 'remember me' to save your profile.

3 Complete the COVID-19 screening, this will only be requested once per day.

4 Check in as a member or a guest, emails linked to Tsebo will be checked in automatically. Guests will be asked to enter additional information.

5 Check out when you are ready, as a Flexi-connect member you can scan the same QR code to check out when you leave.
